Hello Warden Harden,

I am writing this letter regarding my son Gerald Reed #N32920; this is in concern of him being beaten by his cellmate on 9/17/11. He was not the initiator of this fight and was beaten until he was unconscious and had to be hospitalized because of this. Gerald already has to walk with a crutch because a bad hip and is in no condition to defend himself against people and situations such as this one. I know you are busy but at your earliest convenience can we set up time to meet and discuss what happened and how we can prevent this from happening to my son or anyone else for that matter. I can be reached via phone (773) 855-2529.

Thanks in advance,

RECORD OF PROCEEDINGS

Offender Reese R62423 is present and the IDR is read. Offender Reese states when he returned to the cell from the yard, he noticed his stuff had been moved around, so he asked his cellie what happened. States his cellie didn't respond to him, so he asked again. States his cellie then raised up at him, they grabbed each other simultaneously, fell onto the bed and then his cellie hit him in the head with a tray, so he hit him back and commenced to beating his ass with the crutch. States he was treated in the HCU for an injury to the head. States he didn't hear anyone tell him to stop because he was pissed and defending himself. States he was in Unit X-LC-03 during the time and date of incident.

BASIS FOR DECISION

1. Offender Reese R62423 admits to being in Unit X-LC-03 on 9/17/2011.
2. Offender Reese admits to fighting with his cellmate Reed N32920 on 9/17/2011 and to beating Offender Reed with a crutch.
3. The IDR submitted by C/O Walker indicates that she witnessed a 10-10 (fight) in progress where Offender Reese used a medical crutch as a weapon, striking Offender Reed several times and refused her direct order to stop. Due to Offender Reese's refusal to stop striking Offender Reed with a crutch, Lt. Shivers utilized chemical agents on Offender Reese to make him stop striking Offender Reed to which he (Reese) complied.
4. Offender Reese was positively identified.
5. This Committee reasonably finds Offender Reese R62423 in violation of the written infractions.

 Chicago, IL 60653-4019

Dear Ms. Shackelford:

The White House has referred your letter addressed to President Barack Obama to the Department of Justice. We apologize for our delay in responding. In your letter, you expressed concern that your son, Gerald Reed, was wrongfully convicted and is not receiving appropriate treatment at the Stateville Correctional Center in Illinois. Specifically, you stated that your son is a victim of torture by one of the detectives who worked with Jon Burge and was sentenced for crimes he did not commit. You also stated that your son is not receiving proper medical care for a broken pin in his right leg. You attached three supporting letters from friends of Mr. Reed.

Under the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997, the Special Litigation Section of the Department of Justice is authorized to investigate conditions of confinement in correctional facilities where it is alleged that inmates are being deprived of their constitutional rights pursuant to a pattern or practice of resistance to the full enjoyment of those rights. Where such deprivations exist, the Department may initiate a civil action in the name of the United States against state or local officials to remedy unconstitutional conditions of confinement. The Special Litigation Section is also responsible for enforcing the provision of the Violent Crime Control and Law Enforcement Act of 1994, 42 U.S.C. § 14141. Section 14141 allows the Department to seek equitable relief to remedy a pattern or practice of conduct by law enforcement agencies that violates people's federal rights. When a systemic pattern or practice of misconduct is determined to exist, we have the authority to initiate civil action against the jurisdiction (city, county or state) in order to remedy the misconduct. The Department also has authority regarding the anti-discrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. § 3789d, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, which together prohibit discrimination on the basis of race, color, sex or national origin by police departments receiving federal funds.

The Section does not have the authority to represent individuals in legal matters or to provide individuals with legal advice. To determine what remedies, if any, are available to you, you may wish to consult a private attorney or legal services lawyer. You may wish to contact the Chicago Bar Association's Lawyer Referral Service at (312) 554-2001. In addition, you may wish to contact the American Civil Liberties Union ("ACLU") of Illinois:

If your son or others have additional concerns or information that indicates a pattern or practice of constitutional violations at Stateville Correctional Center or the law enforcement agency you referred to in your letter, please forward that information to the following address:

We will carefully consider the information you provide, along with any other information we receive, to determine whether pattern or practice investigations of the facilities are warranted.

We hope this information is helpful. Please do not hesitate to contact this office if we may provide additional assistance regarding this, or any other matter.

Re: People v. Reed, Case No. 90 CR 25846

Dear Gerald,

I hope that things are OK for you at Stateville right now. Any update on your medical situation? Your mom dropped off some paperwork to our office that she wanted returned to you, so I am enclosing those copies for you. Also, I wanted to update you on the case. As you know, we told you that we were going to be unable to pursue your post-conviction petition further until we spoke to Terrell Smith in Minnesota. Unfortunately, we just haven't had time to get up there to talk to him. Elliot has been working on it but has been unsuccessful. As I told you, this continues to prevent us from moving forward.

Elliot and I want to come to discuss the case with you in person but my understanding from talking with Elliot is that you are currently in segregation. I do not want to visit you in segregation to discuss your case because we do not have true privacy for those visits, but I will come see you with Elliot as soon as you are out so that we can talk in person. If anything comes up in the meantime, please let me know.

Sincerely,

Tara Thompson
